

Actors Compensation Agreement (ACA)

(Date) _____ This contract is between _____ (Actor) residing at _____ (Address) and _____ (Director) residing at _____ (Address) in association with _____ (Producer/Production Company), for completed work on the film titled _____ (Film).

Recognizing the need for necessary cuts and deleted scenes which may or may not exclude the Actor from the final cut/release of said film, or in the event the film is not completed or released The Director hereby agrees to provide the Actor after 120 days of completing work on said film, ANY AND ALL FOOTAGE FILMED OR RECORDED OF ACTOR IN ITS ENTIRETY to be used strictly for the Actor's demo reel.

Because the Actor has agreed to work on a deferred payment agreement, the actor shall be entitled to examine any and all records of the film's profits and/or sales after the film is released. Also, because the Actor will incur out-of-pocket expenses such as time off of work, gas, wardrobe, meals, etc., the Director and/or Production Company will provide the Actor two (2) complimentary tickets to the local premiere opening night of the film. This agreement does not void, modify or nullify any other contracts or agreements between the Director the Production Company or any other areas of compensation where the actor may be or is entitled.

The Director and Production Company agree that the Actor's footage cannot be withheld due to disputes between Director, Production Company, Director of Photography or Writer. In the event the film is not completed or released, for any and all reasons, the actor shall still be entitled to all footage in which the actor has been filmed.

Finally, failure to provide or follow the above and agreed conditions shall result in the Director and/or the Production Company compensating the Actor for their time/expenses spent on said film and the amount of the compensation is to be determined by a court of law. In this event, the Director and/or Production Company will be responsible for any and all court costs and legal fees.
